BUILDING PERMIT APPLICATION SUBMITTAL REQUIREMENTS

<u>**COMMERCIAL AND MULTI-FAMILY**</u>

- Please read all of the following information.
- The following is a check list. You must have a "checkmark" in all the sections listed below prior to submitting your application

_____ Sub-division and land development approval, if required.

Plan Review options:

_____ Plans may be submitted electronically **(Preferred Method)** by going to our website, **www.mdia.us**, and click on Offices, click on Plan Review and then Submit Plans. If using the electronic method, once the plans are approved, they will be returned to the design professional and it will be their responsibility to make as many hard copies as needed and provide them to the BCO and the municipality so the permit can be issued. No permits will be issued and construction **shall not** start until all applicable fees are paid. It is then required that a completed set of stamped plans be on the jobsite and made available to the field inspector during the construction.

OR

_____ 3 (three) complete paper sets of sealed drawings, including specification books from a PA registered design professional that show in detail code compliance for all work proposed.

_____ A site plan showing the outside dimensions of the proposed structure, including distances in feet to the front, sides and rear property lines.
_____ Sewer permit.
_____ Workers' compensation insurance certificate or an affidavit of exemption.
_____ Location of parking spaces, accessible routes, public transportation stops and other required accessibility features.
_____ Highway access permit Penn Dot/Municipal, if required.
_____ Plan review/fee (permit clerk will calculate).
_____ Automatic fire sprinkler system designed in accordance with NFPA 13 where applicable.

_____ Completed building permit application.

MDIA will review plans submitted to determine code compliance. If the minimum submittal requirements are not met, we will ask the applicant to supply additional information. If the minimum requirements are met, the plans will be marked "approved". A building permit will be issued and the applicant will be notified of the inspection fees and when they can pick-up the permit at the Municipal Building. All fees shall be paid prior to the issuance of the permit. Then use the inspection procedures provided to have all of the required inspections performed.
